

Home Learning Menu!

9th June - 22nd July

Pick a starter and a main every week. You need to choose two desserts before the 22nd July.

Starter:

1. Practice your times tables by writing them out.
2. Play times tables bingo to practice your tables.
3. Practice your times tables by completing a times table grid like the one on the website.
4. Practice your times tables by asking an adult to test you.
5. Practice your times tables by learning the song on the website.
6. Practice your times tables by playing the game on the website.

Main:

1. Write a news article about something exciting that has happened.
2. Research jobs at a news station.
3. Write a balanced argument about whether or not we should get new iPads.
4. Find a news article that interests you and summarise it using a circle map to help you organise your ideas.
5. Write a non-chronological report about something of your choice.

Dessert:

1. Draw a picture to help describe an article that interests you. Explain WHY you designed it the way you did.
2. Create the front page of a newspaper.
3. Make a model of a landmark and write a report about it.
4. Make a documentary about something that interests you.
5. Make a news broadcast about something that has happened recently.
6. Create an advertisement to go in a newspaper.
